

Dear Panther Parents,

For the 2018-2019 school year, the PTA bookstore will be carrying pants in limited sizes and colors only. If we do not have your child's size available, you will want to utilize a tailor to have your child's pants made.

ACRA Department Store, located at the corner of Rue Louverture and Rue Geffrard #133, Pétion-Ville, carries the "Union School" twill blue and white material for the uniform shorts and pants. When purchasing, please specify that it is for Union School and kindly sign the store's ledger.

Tailor References:

Please note that it is not mandatory that you use the referenced tailors below. You are encouraged to utilize the services of your own tailor or to seek the recommendation of others.
