

Summer Reading

Get Ready for 2nd Grade!

Congratulations—you have completed 1st grade, and now it is time to prepare for 2nd grade! At Union School, we know that although summer is a well-deserved break, summer learning loss can really set students back each August. However, students who read regularly over the summer return to school ready to continue their learning with little or no learning loss.

As always, we encourage you to read a wide range of books over the summer. However, to complete the summer reading assignment for 2nd grade, please choose at least one of the books from the list. (If your child has been identified as below grade level in reading skills, select from List One. Everyone else, select a book from List Two.) Your child should read with an adult in the room, ready to provide support as needed. After reading the book, please complete an Accordion Book Project (description on the 2nd page) and prepare it for the first day of 2nd grade! Students will be able to present their projects to their classmates and receive their first project grade of the year.

For your convenience, the titles that are available as Kindle e-books are hyperlinked.
