## Get Ready for 4<sup>th</sup> Grade!

Congratulations—you have completed 3<sup>rd</sup> grade, and now it is time to prepare for 4<sup>th</sup> grade! At Union School, we know that although summer is a well-deserved break, summer learning loss can really set students back each August. However, students who read regularly over the summer return to school ready to continue their learning with little or no learning loss.

As always, we encourage our students to read a wide range of books this summer. However, to complete the summer reading assignment for 4<sup>th</sup> grade, students will need to choose at least one of the books from the list below. After reading the book, they will choose one of the projects to show what they have learned and prepare it for the first day of 4<sup>th</sup> grade! Students will be able to present their projects to their classmates and receive their first project grade of the year.
